

2018 Marshall Safety Conference Sponsorship

The Safety Technology Advisory Board would like to offer you the opportunity to proudly help sponsor the 2018 Marshall Safety Conference. The 2018 conference theme is "Keeping Up with the Times," and will explore changes within the regulatory system and legal management processes. Join us as we learn more about our ever-changing industry.

The Marshall Safety Conference receives no institutional or governmental funding, so the conference is made possible through generous corporate sponsorship, from groups like you!

This event will be held on Thursday, September 27, 2018, at St. Mary's Conference Center.
